If someone were to ask you, "*What is the purpose of Christ Lutheran in Weyauwega WI,*" how would you respond? Then, if someone were to ask you a follow up question, "*What is your personal purpose on earth?*" what would you say? These two answers may be the single most important responses for Christ Lutheran Christians and congregational leaders to understand and answer for growing the church and blessing the community. The answers do not include preach, teaching, baptism and Lord's Supper. Those are important, but answer the "how" or "mission" questions. Come discover a process called VisionPath, facilitated by Lutheran Church Extension Fund that has terrific potential for helping us become intentionally more significant in the eyes, hearts and minds of the people in our community. Come join the conversation on Monday, Feb 5, at 7 p.m. in the Library.
