**DID YOU KNOW?** Due to declining financial contributions, the overall budget for Christ Lutheran School has decreased 25% since 2009. During this time, we have had to make the difficult decisions to stop compensating our Pre-K Aide(s) and Principal positions and no longer offer health care benefits to our staff. Despite these reductions, tuition costs have only been adjusted for inflation or not all during this same time period. Please prayerfully consider increasing your donation to our mission here at Christ Lutheran.
