SCRIPT: I have had some questions about why we use scrip cards and how to obtain these cards- for anyone who does not know about them please read below:

You can buy various scrip cards from the office when Ms. Jennifer is in or after church here at Christ Lutheran in the basement. A percentage of what you buy in script cards will go towards your student/family tuition account each year and to the church. These cards come from many different stores and restaurants, most of them are from stores you probably already shop at. So, you can spend the money you already plan on spending, while a percentage of it will go towards your child's tuition. You can find the script card list on the office door. If you would like to schedule a time to purchase script cards in the office please email celcschool@centurytel.net or call the church office at 920-867-3263 and Ms. Jennifer will try and accommodate!

TOMATO PLANTS AVAILABLE- if there is anyone else that did not get tomato plants from the flower fundraiser this year we have 3 plants sitting on the desk in the office, the cost is \$3 each plant.

Children will be singing in church this Sunday, please have your child in the library by 8:15 AM.
