- Bring in your pet can be alive or a stuffed animal.
- Parents and Pets will need to stay outside, if you are bringing in an alive pet you can park on the North Side of the school (office side) in front of the church.
- Students will come outside to greet you and we will all try and social distance as much as possible.
- In the event of forecasted rain, we will have the students introduce their animals on camera at home and send them to school via email or Facebook. At that time, we can make a video presentation for the classes to watch and give out awards at school.
