**Today Is Sanctify of Life Sunday:** Our Missouri Synod congregations join with churches across the country to take time to recognize the value of human life. We thank God for all the recent strides to protect life, as well as pray for hearts and minds to change, so that all life is cherished from the moment of conception to the time of natural death. God is the author and creator of all life. He cherishes life since human life is created in His own image. And, we too, as God's people, should also cherish and protect life as He does. May our hearts echo the words of the psalmist, "I praise you, for I am fearfully and wonderfully made." ~ Psalm 139:14.
