OUR COMMUNION LITURGY There was an old Swedish custom to have a slightly curved altar rail. As one pictured it continuing on in a circle out of sight behind the altar, it signified that those participating in **Holy Communion** were in touch with the Saints who had departed this life. The host who gives us His very body and blood is also hosting the feast for those who have been called to heaven. Looking forward to our Savior's presence for all time, we desire to be faithful to His Word in this time. For this reason we practice close communion and ask guests to speak with the pastor or elder before the service.
