TUCKPOINTING UPDATE: The invoice of \$63,850 for Tuckpointing of the church was received last month. In discussions with Krause Construction regarding payment options, while they would not offer us an installment payment plan, they were generous enough to give us until February, 2023 to pay the invoice in full. We currently have \$22,473 in Savings towards this project, so we have four more months to build this up. Hopefully we can avoid borrowing money for this project. Please use your Building and Maintenance envelopes or your weekly envelopes using the Other contribution designation to contribute to this fund as you are able.
