PRESCHOOL PARENTS

We have added a communication log to the front of your child's take-home folder for you to initial once you have checked your child's folder. We have been seeing folders coming back to school with items in them from weeks ago. It is important to check your child's take-home folder because it is a form of communication between you and the school.

It is starting to get chilly outside so please be sure to dress your child for the weather each day. This includes a jacket or heavy sweatshirt, mittens or gloves, and a hat.

Please start thinking about snowpants, a winter coat and pair of boots for your child as well. This is the time of year when the stores start to put cold weather clothing out on the shelves.
